Product information and specifications

Product name: MH/HPS 1000W
Weight: 7.7lbs(3.5kg)
Dimensions(LxWxH): 558*237*191mm/ 22"*9.7"*7.8"
Input voltage: 277V/347V/380V
Input wattage: 1000W±3%
Input current at 100%: 3.7A/3.0A/2.7A
Inrush current: <40A
PPF: 2100umol/m.S
Frequency: 50/60HZ
Power factor: >0.97
Total Harmonic Distortion: ≤10%
Ignition voltage: 4KV
Earth Leakage current: ≤1mA
Temperature ambient: 25℃
Relative humidity: <70%(not condensation)

CE   UL c us LISTED E507174

▶ Digital power control technology, remote control
▶ Soft start switch technology, 97% efficient
▶ Hanging lamp edge design, lower temperature
▶ Chimney airfoil design, lamp life longer
▶ Waterproof IP65 industrial level, safe and reliable
▶ Germany 97% aluminum material, high light efficiency
▶ Lamp bulb fission patent, cleaning costs by 70%
▶ Breathing hole waterproof breathable, balance of power inside and outside temperature difference
